# Welcome to Splatterworks

My name is Katherine Williams and I am the Creative Director and Founder of Splatterworks.
In 2013, whilst completing my undergratuate degree in Illustration, I began experimenting with bold and expressive watercolours and Splatterworks was born. Living in the rural landscapes of Lincolnshire, the local wildlife and countryside are often the inspiration for my watercolour paintings. Using eccentric colours and loose splatter effects, my aim is to capture the beauty and character of animals. Joining forces with Wraptious in 2014, Splatterworks soon became a household name, and I was delighted to win the Gift of The Year Award for the 'Home Accessories' category at the NEC Birmingham.

Whilst the local wildlife - badgers, foxes, hares, owls, ducks, hedgehogs etc - were my original inspiration, i've since expanded my range to include the rugged charm of Helian Coos, the flamboyant elegance of flamingoes, and the playful nature of baby elephants.

Splatterworks has something unique for everyone. From cards and giftware to bespoke designs and pet portraits. If you would like to find out more or to order a design please do get in touch.

If you are a retailer and are interested in stocking Splatterworks in your store or online, please do contact me at Katherine_williams@hotmail.com

I hope you see something you like,
